

Enrolment Policy

Sacred Heart's School Enrolment Policy exists to create a community of faith where we are called to Teach, Challenge and Transform for the benefit of our whole Catholic Community. We educate for a transformed world in communion, by nurturing the gifts and potential of each person, enacting shared leadership, and exercising a preferential option for the poor and marginalised.

Rationale

Each Catholic community, organisation and individual collaboratively engaged in the educational ministry of the Church in the Archdiocese of Brisbane is called to:

Teach

We promote faith in Jesus Christ, teaching and learning about Jesus, the gospel and the faith of the Catholic Christian community. Learning is lifelong, life-giving and engages the whole person.

Challenge

Inspired by the Holy Spirit, we challenge those we educate to live in communion with God, others and the whole of creation in prayerful, sacramental, just, peaceful, inclusive and reconciling communities.

Transform

We educate for a transformed world in communion, by nurturing the gifts and potential of each person, enacting shared leadership, and exercising a preferential option for the poor and the marginalised.

Sacred Heart Vision/Mission

To develop Spirit, Mind and Body in Our Catholic Community. We will achieve this by:

- Living Catholic Faith, Values and traditions that acknowledge our heritage.
- Delivering a holistic education that supports the development of the lifelong learner.
- Developing positive and inclusive relationships based on Christian Values.

The Vision Statements for Catholic Education and Sacred Heart underpin and guide the development and implementation of this policy.

An enrolment policy exists to assist in developing expectations at the point of inquiry and entry. Guiding principles are set to assist the Principal with demands placed on places available in the school.

Purpose /Policy Statement

Sacred Heart School has developed an enrolment process in response to the following criteria:

- Is transparent, fair and based on selection criteria guided by the Mercy Tradition and giving priority to current families and baptised Catholics.
