SACRED HEART SCHOOL GOALS 2016

1.1 Religious Identity and Culture
- Create a culture of hospitality, welcome and inclusion by promoting a range of opportunities for volunteers to be involved in and around the Sacred Heart community.

1.3 Prayer and Worship
- We will actively encourage the use of meditation to creatively nurture and develop respectful student engagement in a variety of prayer.

2.3 Pedagogical Practice
- Teachers will consistently articulate and demonstrate a deep understanding of pedagogy that enables learning that is highly visible, personalised, active and interactive (Visible Learning).

2.3 Teaching Technologies
- Teachers will demonstrate a shared and deep understanding of contemporary pedagogical practice and how e-learning and teaching technologies are used to guide innovative learning and teaching.

3.5 Accountability and Compliance
- We will document, monitor and communicate all requirements with a transparent and professional approach addressing accountability needs.

- Mission and Religious Education
- Learning and Teaching
- Strategic Resourcing
- Professional Practice and Collaborative Relationships

Sacred Heart Parish School Goals are formulated from the four Brisbane Catholic Education Priorities

1.1 Mission
- "The School will be a community of learning where we help all to grow in knowledge of God’s presence in all things and in all people in our school family and in the wider world.

1.3 Strategic Resourcing
- We will clearly define systems and processes to ensure school finances and facilities cater for the growth of our community.

4.5 School Improvement
- Enhance teacher professional goal setting, review and professional learning planning, peer mentoring and coaching.
