

Sacred Heart School Uniform Procedure

1. PURPOSE

The purpose of this procedure is to describe Sacred Heart School's approach to implementing the Sacred Heart School Uniform Policy. This procedure must be read in conjunction with *BCE Uniform Policy*.

2. RESPONSIBILITIES

2.1 General requirements

Dress Standards:

The following specific regulations must be followed to ensure a high standard of dress:

- Students must wear the school uniform in the appropriate manner at all times.
- The formal school uniform must be worn on the days it is required. This includes wearing the designated 'formal school hat'.
- The sports uniform may be worn on designated days. The reversible house bucket hats may be worn with the sports uniform only.
- The school logo is the only logo to appear on the school uniform.
- Students without approved hats will be restricted to designated shaded areas.

All Sacred Heart School uniforms are available for purchase through UMS – either on-line or through the shop 4/87 Brisbane Street, Ipswich.

Jewellery:

- Make-up, hair colour, nail polish and temporary tattoos do not form part of Sacred Heart School's uniform.
- Unacceptable jewellery will be removed by staff and returned at an appropriate time.
- A chain with a medallion of religious significance may be worn in consultation with the Principal (or delegate), who has final discretion.
- A single, plain Gold or Silver flat stud (up to 5mm) or sleeper (up to 1.5cm) per ear.
- A watch may be worn. Smart watches, capable of contacting home or taking pictures is not permitted, and like a phone should be handed in at the office and collected at the end of the day.

Appearance Standards:

Sacred Heart School does not accept inappropriate styles that draw attention to the individual, which is the underlying regulation regarding hair at Sacred Heart. Such hairstyles are deemed extreme and unacceptable.

The following specific regulations must be followed to ensure the above statement is maintained.

- Blade 2 length is the shortest length acceptable for 'all over' and 'undercuts'.

Sacred Heart School Uniform Procedure

- Hairstyles that draw attention to the student include but are not limited to buzz cuts, dreadlocks, mullet, mohawks, bowl cuts, tracks, tails, etc. These are not acceptable in any form. The Principal (or delegate) has final discretion.

Sacred Heart School Uniform Procedure

- Students with shoulder-length hair or longer are to wear it tied back with modest accessories such as ribbons/scrunchies that reflect the school colours.
- In the case of undercuts, the hair on top must be kept short and tidy. If it is long enough that it requires it to be tied back or in a bun (i.e., covering ears and eyebrows), it is deemed 'extreme' and is not acceptable.
- It is a requirement that hair has no artificial colour, styling or product application that draws attention to the students. Streaks/tips are not permitted.
