

Stewardship Group

At Sacred Heart we teach:

- Receive the gifts of God with gratitude
- Cultivate our gifts responsibly
- Share our gifts lovingly
- Return our gifts to God with increase

Stewardship Activity	Student Involvement
Our Treasure - A culture of Sustainability	
Recycling	Year 6 students are responsible for collection/emptying recycling bins weekly (following assembly)
Nude Food	Rubbish bins have been mainly removed (except for tuckshop rubbish) and students monitor the bins to ensure rubbish is taken home except for scraps for composting
Composting/Garden Club	<ul style="list-style-type: none"> • Students are rostered to collect the compost buckets from the eating area and empty with supervision from the Aides in charge of Gardening Club. • Gardening Club grows food to donate to staff, take home to club member's families, and to be used in school tuckshop
Resources	<ul style="list-style-type: none"> • Electricity • Water • Rubbish • Gardens
Our Talents	
Little Kings August	Students participate in a concert for the Little King's Movement
Our Time	
Stewardship Meeting	Students pray, plan, promote, practice and prepare for Stewardship Events.
